To whom it may concern -

I have learned of the most disturbing news of the cruel and inhumane treatment of downed animals. The marketing and slaughter of these animals causes great suffering and poses unnecessary health risks.

Please, I implore you to grant Farm Sanctuary's petition to prohibit the slaughter of downed animals. Docket no. - 98P-0151/CP1. Animal abuse is a national disgrace and must be stopped forever in this our supposed most civilized land in the world. Any attention you give this letter will be appreciated.

Thank You, sincerely,
